Our speaker, Tom Manion, president of New London Hospital

Tom joins us to discuss current projects and future plans for New London Hospital and its role within the community.

## **NEW LONDON HOSPITAL – SERVING THE COMMUNITY**

**Presented by Tom Manion, President and CEO, New London Hospital**

*Tom joined New London Hospital in March, 2020 from the University of Vermont Health Network, where he served as vice president of Porter Medical Group. Previously he held a variety of increasingly senior roles at Bassett Medical Center in Cooperstown, NY. Tom began his career in 2006 at Memorial Sloan-Kettering Cancer Center in New York City. He holds a Master of Public Administration, Health Services Financial Management from New York University, a Bachelor of Science degree in Biology from St. Lawrence University and a Certificate in Change Leadership from Cornell University.*
