

Country Squires Presentation for October 8, 2020

The Mary Joe-Chappaquidick Story

Presented by Bob Bruguiere

The October meeting will bring you an eye witness telling of the Mary Joe-Chappaquidick story. The witness is our own Bob Bruguiere. Back then, Bob was a high school teacher during the year but his summers were spent as a police officer, and this summer as a police officer in Chappaquidick. Bob was there when the alarm was sounded and there when the body was found. His story is the story of the young Teddy Kennedy and an event that could have ended his political career.
