

July 13, 2023

Our speaker will be Dr. Peter Diamond, currently an Institute Professor at the Massachusetts Institute of Technology. The topic of his presentation will be the state of the Social Security and how it might be protected

Dr. Diamond has made fundamental contributions to a variety of areas of economics, including government debt and capital accumulation, capital & labor markets, taxation, and Social Security policy. He was awarded the Nobel Memorial Prize in Economic Sciences in 2010, along with Dale Mortensen and Christopher A. Pissarides, for their work in market analysis.
