Our speaker will be William C. McKinley III who will present Scot Culture.

Bill had a 30-year career in the US Air force and Air Force Reserve; where among other activities he served on the music faculty at the United States Naval Academy as Director of Bagpiping, Drumming and Highland Dancing and played with the USAF Reserve Pipe Band. That band performed for dignitaries and audiences all over the world. During that time, Bill performed as a solo piper for Presidents Clinton, Bush and Obama – he does non-partisan piping. I have no doubt both we and our guests are in for a treat.
