

March 14, 2024

Our Presenter will be Matthew Delmont. Dr. Delmont is the Fairfield Professor of History at Dartmouth and Dean of International and Interdisciplinary Studies. He has been deeply involved in building the strategies to increase diversity on the Dartmouth campus and has published a several books on Black History. His lecture in March will focus on his 2022 book “*Half American: The Epic Story of African Americans Fighting World War II at Home and Abroad*”. I trust he will also touch on Dartmouth’s strategy in addressing the woke-wars going on today in our elite universities.
