Our speakers will be Colonel Sandra Warde (Ret) USAF and her husband Lieutenant Colonel Scott Warde (Ret) USAF.

Their talk will cover the armed services as a career path, as an opportunity to be of service, and as a setting for marriage.

Colonel Sandra Warde was in the second Air Force Academy class to include women. Her rise to the rank of full colonel is an accomplishment achieved by only 2% of Air Force officers. It marks her service in the air and on the ground.

Colonel Scott Warde entered the Air Force through the ROTC. He had a wide range of assignments, some highly classified.

Sandy and Scott settled in Newbury some years ago and are both active members of the Newbury Veterans Committee.
