

November 10, 2022

Art Rosen will be the speaker for the November Meeting, as most of you know, is an excellent, engaging speaker.

Art's topic will be "The Thanksgiving Story Rarely Told." It will cover the Pilgrims and Puritans, their religious views, and how that made conflict with the Native Americans they encountered inevitable.

Art's career was in advertising with such companies as Benton & Bowles and Young & Rubicam. His retirement career has been as a student of Western religious history. He has been a frequent speaker at Osher@Dartmouth, Adventures in Learning (AIL), and churches and civic groups. He is a past-president of both AIL and the Country Squires, and is currently the secretary of the Country Squires, the Newbury Veterans Committee, and the Kearsarge Interfaith Council.
