

September 14, 2023

Our speaker for is Dan Dailey. Dan is a highly regarded artist and educator working primarily in blown glass and metal with an emphasis on lighting. His work, typically depicting the human character and the world we inhabit, can be found in more than 50 museum and public [collections](#) around the world.

Dailey was born in 1947 in Philadelphia and received his BFA degree from the [Philadelphia College of Art](#). Dailey received his MFA from the [Rhode Island School of Design](#). He is Professor Emeritus at [Massachusetts College of Art](#) in Boston, where he founded the [Glass Department](#) in 1973. For many years his unique glass designs were produced in the Daum factory in France. He now works in his New Hampshire studio near his home in Kensington, just south of Portsmouth.
