

Country Squires- Minutes of Meeting held December 19, 2025

President Steve Seamans began the meeting at 12:00.

Peter Keenan provided Words of Inspiration highlighting the togetherness of the holiday season and the brightness provided by the spousal attendees not present at our regular monthly meetings.

A motion to approve new members Craig Stockel, Rodney Smith, Bordon Ayes and Rick Stanchfield was unanimously approved as were the minutes of the November 13th meeting.

At 1:05, after the delicious, well prepared 5 course holiday luncheon, award winning composer and pianist Will Ogmundson began a special piano concert. His program began with several of his our compositions, followed by popular and classical pieces, such as, Maple Leaf Rag, the Entertainer, and Arabesque. The many requests of the attendees provided maestro Will with the opportunity to demonstrate his skill at blending them into an amazing 10-minute medley.

The audience showed its delight and appreciation with a standing ovation.

Our Squire Harvey Best provided an original holiday lyric- "please pass the ball left to right"- to select the lucky winners of the beautiful center piece decorations.

The holiday gala adjourned at 2PM.

Post Meeting- Steve Seamans and hearty crew of Squires delivered the Kimball piano to a local parish for its music ministry at 4PM.
